

- THE DYNAMIC DIGEST - UPDATE 211

SOUTH AFRICAN INSTITUTE OF OCCUPATIONAL SAFETY & HEALTH

In February this year, Data Dynamics joined the South African Institute of Occupational Safety & Health (SAIOSH) as a corporate member.

Saioosh is a professional body not for gain which is committed to the prevention and reduction of work place incidents and accidents in South Africa. Saioosh is doing this by promoting Occupational Health and Safety Management and Practices amongst its members and stake holders at large.

Saioosh is committed to the upgrading of the professional skills of its members by keeping them updated and informed on the latest developments in the field of Occupational Health and Safety. Seminars and workshops on a wide range of Health and Safety topics are held on a regular basis for its members.

Data Dynamics has recently had the privilege of attending their annual OHS Conference and Exhibition held in Durban. All of the speakers were experts in their fields and presented papers on the latest developments in field of Occupational Health and Safety.

We would like to take this opportunity to extend a special thanks and congratulations to Saioosh for a very successful and quality event.

Visit www.saioosh.com to find out more about becoming a SAIOSH member.

INSIGHT TIP

AUTOMATIC UPDATE FACILITY –

INSIGHT SILENT UPDATER

The Insight Silent Updater provide users that have a valid Download Manager account with a system to automate the update process in order to keep Insight and the installed documents up-to-date via a Windows scheduled task. Once a user has followed the necessary steps, all required updates will automatically be downloaded and applied. In this way the system will stay up-to-date without the user needing to take any further action.

This facility is available to all subscribing clients and is available for download from our website under our "Support" tab.

Should you require assistance with using this tool, please do not hesitate to contact us.
