## **SCHEDULE A**

**PRE-REGISTRATION GUIDELINES IN RESPECT OF THE CTBS LICENCE AND RFS LICENCE**

1. An applicant must submit a pre-registration notice as per the requirements set out in **Form B** and **RFS Application Form** of **Schedule H** of this ITP-R, which must be accompanied by the documents outlined in **paragraph 8 of Schedule C**.
2. An applicant should take into consideration that applications for the Community Television Broadcasting Service Licence should cover the whole province. Therefore, applicant's founding documents/business plans should reflect coverage of the entire province.
3. An applicant **must submit two copies of their application**. One copy of the application must not contain any personal information, as defined in the Protection of Personal Information Act, 2013 (Act No. 4 of 2013) ("POPI Act").
4. The POPI Act defines personal information as any information that can be linked to a living, natural person or an identifiable juristic person. This includes:
  - Identifying information such as a name, ID number, contact information, or online identifier
  - Information about a person's identity or beliefs, such as their race, gender, sex, pregnancy, marital status, national origin, colour, sexual orientation, age, physical or mental health, disability, religion, conscience, or belief
  - Information about a person's education, medical, financial, criminal, or employment history, and Private correspondence.
5. An application **must be in writing, in the format set out in this ITP-R**. **A fillable pdf version of Form B and the RFS Application Form**

can be accessed on <https://www.icasa.org.za/legislation-and-regulations/ctbs-and-rfs-licences-2025-process>.

6. An Applicant **must answer all questions set out in the pre-registration form (i.e., Form B and RFS Application Form) in full.** If any question is considered not applicable, it is to be marked "N/A" and further explanations are to be provided as to why it is not applicable.
7. **An Applicant must complete all the required fields in Form B and the RFS Application Form. Only the Form B and the RFS Application Form in this ITP-R or the fillable pdf version accessed in paragraph 5 above, must be used. No other versions of these application forms must be used.**
8. An Applicant **must submit their pre-registration notice either electronically and/ or physically.**
  - 8.1. If submitted electronically, an applicant must provide two (2) soft copies, 1 (one) copy without personal information for publication and 1 (one) copy with personal information (for the Authority's records) of the pre-registration notice via email in pdf format.
  - 8.2. If submitted physically, an applicant must provide 4 (four) hard copies (two copies without personal information for publication and two copies with personal information for the Authority's records) of the pre-registration notice.
  - 8.3. Moreover, an applicant who submits physically **must provide two (2) soft copies (one without personal information and one with personal information) of the pre-registration notice on a USB in pdf format.** In all, the applicant must submit [4] hard copies and [2] soft copies.
9. In terms of section 4D of the ICASA Act, an applicant may request that any part of the pre-registration notice be treated as confidential. Confidential documents must be clearly marked as such and submitted

together with the original pre-registration notice. Request for Confidentiality must be submitted in line with the Guidelines for Confidentiality Request in terms of section 4D of the ICASA Act published in Government Gazette No 41839 dated 17 August 2018 and attached herewith as Annexure E.

10. An applicant intending to submit a request for confidentiality is advised to submit copies of the Application where the personal and confidential information is redacted and one in which the personal and confidential information is contained. The copy in which the information is redacted will be published for public comment if the request for confidentiality is granted.
11. A request for confidentiality will be considered within fourteen (14) working days of receiving the request. The Authority will communicate its decision to the respective Applicant.
12. In the event that the request for confidentiality is refused, the Applicant may choose to withdraw the information on which confidentiality is requested.
13. Each hard copy (including the original) of the application must be permanently bound (using either heat or spiral binding).
14. Each pre-registration notice **must have:**
  - (a) **a cover page indicating the title of the ITP-R ("Invitation to pre-register for community television broadcasting service and radio frequency spectrum licences")**,
  - (b) **name of the Applicant**,
  - (c) **proposed trading name of the broadcasting service**, and
  - (d) **year of submitting the application**.
15. The page(s) immediately following the cover **must be the contents page(s) / table of contents, which shall detail each section of the pre-registration notice and corresponding page numbers**.
16. The entire pre-registration notice, including the appendices and

schedules, **must be sequentially numbered, starting with the page immediately following the contents page(s) as page 1 and ending with the very last page of the pre-registration notice.**

17. In the event that the Applicant has to submit its pre-registration notice in more than one part or volume, each part or **volume must have a cover page bearing all the details set out in paragraph 14 above. In this case the cover page must specify the number of the part or volume (i.e. Part One, Part Two or Volume One, Volume Two).** **Each volume or part must also have the full set of contents pages and be sequentially numbered as indicated above.**
18. Pre-Registration notice **must be addressed for the attention of Mr Pascalis Adams - Project Manager: Licensing of Community Television Broadcasting Services Council Committee and must be submitted to the following email address: [itp-r-tv@icasa.org.za](mailto:itp-r-tv@icasa.org.za) or must be deposited into the box designated for that purpose at Block B, Eco Point Office Park, 350 Witch-Hazel Avenue, Eco Park, Centurion, Pretoria.**
19. Every pre-registration notice **must be accompanied by proof of payment of a non-refundable application fee of four thousand, nine hundred and twenty-eight rand (R4928.00).** The payment must be made by an electronic funds transfer or via a direct deposit into the following bank account of the Authority (**attach as Appendix 14**):

**BANK: NEDBANK LIMITED**

**BRANCH: NEDBANK CORPORATE  
INVESTMENT BANKING**

**BRANCH CODE: 198765**

**ACCOUNT NO: 1080249044**

**SWIFT CODE: NEDSZAJJ**

**REFERENCE: Name of the proposed service or  
Applicant**

20. An applicant shall carry its own costs in responding to the ITP-R.

21. The closing date for the submission of pre-registration notices is **16:00 PM, South African time (GMT +2), on 30 June 2026.**
22. **A pre-registration notice submitted physically or online after the closing date and time will not be considered by the Authority.**
23. A pre-registration notice, save for information on which the Authority has granted confidentiality, submitted to the Authority pursuant to this ITP-R will be made available on the Authority's website at <https://www.icasa.org.za>.
24. A pre-registration notice received pursuant to this ITP-R can also be sent via email upon request by any interested party or can be collected from ICASA Library at the following address: 350 Witch-Hazel Avenue, Eco Point Office Park, Eco Park, Centurion between 09h00 and 16h00, Monday to Friday. Copies of the applications will be obtainable at the Authority's library upon payment of a fee as may be determined by the Authority from time to time through publication in the government gazette or the Authority's website.
25. The licensing process will be undertaken in two (2) phases:
  - 25.1. **Phase 1:** Consideration of the pre-registration notice for pre-registration of a CTBS licence and RFS licence. Phase 1 may be subjected to a beauty contest (comparative tender) in line with the specifications set out in **Schedule C** below; and
  - 25.2. **Phase 2:** Successful Applicants from Phase 1 will progress to Phase 2. Applications will be submitted and considered in terms of section 17 of the EC Act, read with regulation 4 of the Community Broadcasting Services Regulations, 2019 as set out in Schedule D below.
26. This licensing process will culminate in the issuing of the fifteen percent (15%) maximum capacity on DTT Multiplex 1 per province. Additional

CTBS licences may be issued to make up a fifteen percent (15%) maximum capacity on DTT Multiplex 1 per province, where there is already assigned community broadcasting services in the province. Table 1 below shows the number of licenses to be issued per province.

**Table 1: Number of licenses to be issued per province**

2. An Applicant will be eligible to proceed to Phase 1 of the licensing process if it has complied with all the above-mentioned requirements.

## **SCHEDULE C:**

**Phase 1: Consideration of the pre-registration notice for pre-registration of a CTBS licence and RFS licence**

1. All the pre-registration notices that have met all criteria set out in the pre-qualification stage will be assessed in this phase.
2. A notice will be published in the Government Gazette indicating all the pre-registration notices that have made it to phase 1 of the licensing process.
3. Phase 1 will be concluded within ninety (90) working days from the closing date for receipt of the pre-registration notice.
4. The Authority may decide to hold public hearings in respect of a pre-registration notice received during this phase.
5. In this phase, a registration notice is assessed in line with the **mandatory provisions** of the Community Broadcasting Services Regulations, 2019, ("Community Regulations") as amended.

**Pre-Registration requirements in terms of regulation 4 (1) and (2) of the Community Broadcasting Services Regulations, 2019:**

6. The applicant must submit proof that it is a Non-Profit Organization that has been in operation for not less than two (2) years or more **(attached as Appendix 20)**.
7. An applicant must demonstrate community development and empowerment with respect to the community located within the coverage area it proposes to render community broadcasting services **(attached as Appendix 21)**.

**Pre-Registration requirements in terms of regulation 4 (3) of the Community Regulations:**

8. An applicant must submit a pre-registration notice as per the requirements

set out in Form B of the Processes and Procedure Regulations, which must be accompanied by the following additional documents as per the Community Broadcasting Services Regulations, 2019:

- (a) Founding documents such as the Constitution and Memorandum of Incorporation **(attach as Appendix 22 A)**;
- (b) Curriculum Vitae of Board Members and Management **(attach as Appendix 22 B)**;
- (c) Disclosure of Interests of Board Members and Management **(attach as Appendix 22 C)**;
- (d) Programming plan **(attach as Appendix 22 D)**;
- (e) Business plan comprising a 3 – 5 years' financial plan **(attach as Appendix 22 E)**;
- (f) Tax clearance certificate or tax status pin as provided by the South African Revenue Service **(attach as Appendix 22 F)**;
- (g) Demand, Need, Support including profiled community broadcasters in the coverage area and programming format **(attach as Appendix 22 G)**;
- (h) Projects reporting on management, governance, and finances **(attach as Appendix 22 H)**; and

- (i) Technical Operations;
- (ii) Human Resource; and
- (iii) Financial;
- (iv) Programming Policy;
- (v) Editorial Policy;
- (vi) Social Media Policy; and
- (vii) Political branding at the station and affiliation Policy.

9. **Failure to comply with any of the requirements and provisions in Form B, will render the application null and void.** The pre-registration notice will not be assessed further in Phase 2 as it would have been disqualified in Phase 1.

## REQUIREMENTS FOR RFS APPLICATIONS:

10. The following RFS requirements should be met, failure to comply with any of these requirements will result in the application being disqualified in phase 1:
  - 10.1. An applicant must apply in accordance with the frequencies stipulated in Schedule I of this ITP-R.
  - 10.2. An applicant must select all the frequencies listed in the identified province where it intends to provide its broadcasting services.
  - 10.3. An applicant applying for broadcasting services in the Eastern Cape, Gauteng, KwaZulu-Natal, and Western Cape Provinces **must select frequencies listed in Annexure G of Schedule I**. Annexure G includes the frequencies used during dual illumination as specified by the Digital Migration Regulations, 2012. Additionally, an applicant **must choose frequencies from Annexure J of Schedule I**, which represents their commitment to migrate to the final assignments of the single frequency network post dual illumination.
  - 10.4. An applicant applying for broadcasting services in the Free State, Limpopo, Mpumalanga, Northern Cape, and North West Provinces **must select frequencies from Annexure J of Schedule I**. This is because these provinces have already transitioned to the final assignments of the single frequency networks that will be utilised after dual illumination.
  - 10.5. An applicant **must provide a letter of support or agreement from SENTECH, the appointed signal distributor for the Multiplex 1 network**.
11. The Authority may, in the public interest and to promote spectrum efficiency, exercise rational technical discretion to accommodate network adjustments resulting from ASO optimisation, provided that the technical and service objectives of the application remain aligned with this ITP-R.

12. The Authority reserves the right not to consider an RFS application should it not meet other requirements as set out in this ITP-R.

**PROPOSED TERMS AND CONDITIONS FOR RFS:**

13. The Licence is issued in accordance with, and subject to, the provisions of the Radio Frequency Spectrum Regulations promulgated under Government Notice 279 of 30 March 2015, as amended ("the Radio Frequency Spectrum Regulations").
14. The Licensee shall be entitled to share the fifteen percent (15%) capacity of the MUX 1 frequencies reserved for community broadcasting in a particular Province. The remaining eighty – five percent (85%) capacity of the MUX 1 frequencies is reserved for the provision of public television broadcasting services.
15. In order to facilitate the efficient sharing of capacity on MUX 1 frequencies, the Licensee shall enter into a commercial agreement with its signal distributor on a non-exclusive basis, which shall enable such signal distributor to, inter alia, utilise the reserved capacity for community broadcasting on MUX 1 frequencies to provide signal distribution services to any entity which may be licensed by the Authority to conduct a community television broadcasting service.
16. The Licensee shall ensure that fifty percent (50%) of the Licensee's MUX 1 Digital Terrestrial Television Assignments are put into operation on or before twelve (12) months of commencement of the Licensee's community television broadcasting service;
17. The Licensee shall ensure that hundred percent (100%) of the Licensee's MUX 1 Digital Terrestrial Television Assignments are put into operation on or before twenty-four (24) months of commencement of the Licensee's community television broadcasting service; and
18. The Licensee shall at all times comply with the technical specifications set out in Annexure G, where applicable, of the Terrestrial Broadcasting Frequency

Plan published on 2 April 2013 in Government Gazette Number 36321, as amended (TBFP). However, post analogue television switch-off, the Licensee shall comply with the technical specifications stipulated in Annexure J of the TBFP.

19. The Licensee indemnifies the Authority against any losses, damages or claims that may –
  - 19.1. occur or arise as a result of the switching-off of the transmitters (i.e. digital to digital migration) as stipulated in Annexure J or as a result of any interruptions or other disruptions to its service that may affect the quality of signals; and/or
  - 19.2. result from interference with or interruption of the transmitters caused by radio users and/or electronic communication lines operated by other licensees in terms of the Radio Frequency Spectrum Regulations.
20. The Licensee shall at all times observe and adhere to the provisions of the applicable international telecommunications conventions, such as those governing the International Telecommunication Union (ITU) insofar as they apply to the Republic of South Africa.

#### **EVALUATION SPECIFICATIONS FOR A BEAUTY CONTEST IN THE EVENT OF A COMPETITION**

21. Applicants who are competing for the same province, wherein demand exceeds supply, will be subjected to a beauty contest (comparative tender) in line with the specifications set out in the table below.
22. The highest scoring Applicant, as per the evaluation specifications above shall be deemed successful and will progress to Phase 2 and be subjected to sections 17 and 31 of the EC Act for the issuance of a CTBS and Radio Frequency Spectrum Licence.

## **SCHEDULE D:**

**Phase 2: Consideration of the registration notice submitted in  
terms of sections 17 and 31 of the EC Act, read with  
regulation 4 of the Community Broadcasting Services  
Regulations, 2019.**

1. A notice will be published in the Government Gazette indicating all the Applicants that have made it to Phase 2 stage of the licensing process.
2. Successful Applicants will be required to submit a registration Notice (Form B) in terms of section 17 of the EC Act for the issuance of CTBS and Radio Frequency Spectrum Licence.
3. This process will be concluded within thirty (30) working days from receipt of the registration Notice (Form B).
4. The Authority may hold public hearings in Phase 2, prior to deciding on the registration and licensing of CTBS and RFS licences.

## **SCHEDULE E:**

### **REQUESTS FOR CONFIDENTIALITY**

1. In terms of section 4D of the ICASA Act, an applicant may request that any part of the Application be treated as confidential. Confidential documents must be clearly marked as such and submitted together with the original Application. Requests for Confidentiality must be submitted in line with the Guidelines for Confidentiality Request in terms of section 4D of the ICASA Act published in Government Gazette No 41839 dated 17 August 2018 and attached herewith as Schedule L.
2. An applicant intending on submitting request for confidentiality is advised to submit copies of the Application where the personal and confidential information is removed and one in which the personal and confidential information is contained. The copy in which the information is blocked out will be published for public comment if the request for confidentiality is granted.
3. Request for confidentiality will be considered within fourteen (14) working days of receiving the request and the Authority will communicate its decision to the respective applicant.
4. In the event that the request for confidentiality is refused, the applicant may choose to withdraw the information on which confidentiality is requested and was not granted by the Authority.

**GUIDELINES FOR CONFIDENTIALITY REQUEST**  
**IN TERMS OF SECTION 4D OF THE ICASA ACT**

**PREAMBLE**

**WHEREAS**, the Independent Communications Authority of South Africa (ICASA/ Authority) is mandated in terms of section 192 of the Constitution of the Republic of South Africa, 1996 to regulate broadcasting in the public interest;

**WHEREAS**, ICASA is further mandated in terms of section 2 of the Independent Communications Authority of South Africa Act, 2000 (Act No. 13 of 2000), as amended ("ICASA Act"), to regulate broadcasting, electronic communications services and postal matters in the public interest; and

**WHEREAS**, section 4D of the ICASA Act empowers ICASA to make determinations relating to confidentiality on information provided to ICASA by stakeholders.

**WHEREAS**, section 9(4)(c) of the Electronic Communications Act, 2005 (Act No. 36 of 2005), as amended ("ECA") permits the Authority to grant confidentiality on information submitted by an applicant at the request of an applicant.

**1. Introduction**

- 1.1 The guidelines on requests for confidentiality, are intended to provide a practical application of section 4D of the ICASA Act and section 9(4)(c) and (d) of the ECA. The guidelines will further explain the process to be followed by ICASA when dealing with confidentiality of information a licensee may submit to the Authority. A template for requesting confidentiality from ICASA is further provided in these guidelines, in Appendices A and B.
- 1.2 This document provides guidance to ICASA staff and informs the public of ICASA's policies and procedures. These guidelines are not regulations. They are not legally enforceable and do not create any legal rights or

impose any legally binding requirements or obligations on ICASA or the public.

1.3 Section 4D provides as follows:

*"4D. Confidential information*

*(1)*

- (a) When a person submits information to the Authority, such person may request that specific information be treated as confidential information.*
- (b) The request for confidentiality must be accompanied by a written statement explaining why the specific information should be treated as confidential.*

- (2) Within 14 days of receiving a request for confidentiality, the Authority must make a determination whether or not confidentiality will be granted and provide the person contemplated in subsection (1) with written reasons for such determination.*

- (3) Should the Authority determine that a request for confidentiality cannot be acceded to, the party providing the information must be given an opportunity to withdraw the information that is the subject of the confidentiality request.*

- (4) When considering a request contemplated in subsection (1), the Authority must treat the following information, as confidential information, namely-*

- (a) trade secrets of such person;*
- (b) financial, commercial, scientific or technical information, other than trade secrets, the disclosure of which is likely to cause harm to the commercial or financial interests of such person;*
- (c) information of which the disclosure could reasonably be expected-*

- (i) to put the person at a disadvantage in contractual or other negotiations; or*
- (ii) to prejudice the person in commercial competition;*

- (d) the names of prospective employees; and*
- (e) business plans of a licensee.*

- (5) A determination of confidentiality may not be made in respect of a document or information that is in the public domain or is required to be disclosed by operation of law or a court order" (our emphasis).*

1.4 In addition, section 9(4) of the ECA provides as follows:

*" (4)*

- (a) Applications, representations, responses and other documents relating to an application which are submitted to the Authority are, subject to this subsection, open to public inspection during the normal office hours of the Authority.*
- (b) The Authority must, at the request of any person and on payment of such fee as may be prescribed, furnish him or her with copies of documents requested by such person.*
- (c)*
  - (i) The Authority may, at the request of an applicant or person who has submitted representations or responses, decide that –*
    - (aa) any document or information that is commercially sensitive; or*
    - (bb) any other matter reasonably justifying confidentiality, is not open to public inspection, if such document or information can be separated from the application, representations or other documents in question.*

(ii) for the purposes of this subsection, commercially sensitive document, information or other matter reasonably justifying confidentiality, excludes documents or information that should, as a matter of law be generally available to the public.

(d) If the Authority refuses a request referred to in paragraph (c)(i), the applicant or person concerned may withdraw the document or information in question" (our emphasis).

## **2. Information required to accompany a request for confidentiality**

2.1 The provision in the ICASA Act cited above expressly states that "(the request for confidentiality must be accompanied by a written statement explaining why the specific information should be treated as confidential" (our emphasis).

2.2 This requires more than just stating a category of confidentiality under section 4D (4) of the ICASA Act.

2.3 When requesting confidentiality, the applicant is therefore required to:

2.3.1 identify the confidential information; and

2.3.2 provide a written statement or explanation justifying why the Authority should treat the identified information as confidential.

## **3. Categories of information that the Authority is required to treat as confidential**

3.1 Section 4D (4) of the ICASA Act identifies the following categories:

### **3.1.1 Trade secrets of such person**

Any trade secret must be treated as confidential by the Authority if confidentiality is requested thereon. Unless it is apparent to the Authority, the onus is on the applicant to prove that the document is a trade secret.

Trade secrets include formula, practice, process, design, instrument, pattern, commercial method, or compilation of information not generally known or reasonably ascertainable by others by which a business can obtain an economic advantage over competitors or customers.

**3.1.2 *Financial, commercial, scientific or technical information, other than trade secrets, the disclosure of which is likely to cause harm to the commercial or financial interests of such person;***

In line with section 4D (1) (b) of the ICASA Act, this category requires the applicant, to substantiate and demonstrate that if certain financial, commercial, scientific or technical information were to be in the public domain, it is likely to suffer commercially or financially.

**3.1.3 *Information of which the disclosure could reasonably be expected to put the person at a disadvantage in contractual or other negotiations; or to prejudice the person in commercial competition;***

In line with section 4D (1) (b) of the ICASA Act, this category requires the applicant to substantiate and demonstrate that the specific/concerned information will prejudice or disadvantage the applicant in commercial competition if it is not treated as confidential.

The information under this category may include the names of third parties with which the applicant has contracted, the value of such contractual agreements and selling prices.

**3.1.4 *The names of prospective employees***

This category refers to prospective employees of the applicant or licensee or any person who submits confidential information to the Authority. Names of prospective employees must be treated as confidential by the Authority if confidentiality is requested thereon.

Unless if apparent to the Authority, the onus is on the applicant to prove that the names, in relation to those confidentiality is requested, are those of prospective employees, not of those individuals already employed by the applicant.

### 3.1.5 ***Business plans of a licensee***

Any business plan must be treated as confidential by the Authority if confidentiality is requested thereon. Unless if apparent to the Authority, the onus is on the applicant to prove that the document is a business plan.

In each category above, the onus falls on the applicant to demonstrate and substantiate that such information would be fall within any of the above categories. The written statement that accompanies each information should provide such substantiation.

It is worth noting that all the categories mentioned above are subject to the information not being available in the public domain, the operation of law and an order of court.

It is also worth noting that an applicant can request confidentiality on any information not listed in section 4D (4) of the ICASA Act provided that such information is not in the public domain and the applicant provides reasons as to why specific information must be treated as confidential.

## 3.2 **Withdrawal of information by the applicant**

3.2.1 If the applicant's request for confidentiality is refused, the Authority is required to grant the applicant an opportunity to withdraw the information. Failure of the applicant to withdraw such information within seven (7) working days will result in the Authority not treating the information as confidential.

3.2.2 Should the applicant withdraw the information, the Authority may continue with whatever process the information was required for, without reference to or relying on the withdrawn information.

### **3.3 Reasons for refusal of confidentiality by the Authority**

3.3.1 Section 4D (4) prohibits the Authority from making a determination of confidentiality over any document that is in the public domain or required to be disclosed by law or court order.

3.3.2 The Authority must provide the applicant with reasons for making a determination to refuse confidentiality as contemplated in section 4D (2).

### **3.4 Review of the Authority's decision on the request for confidentiality**

3.4.1 The Authority's decision concerning the request for confidentiality is final and binding on the Applicant. An applicant may, in terms of section 3(5) of the ICASA Act, take the Authority's decision on a request for confidentiality on review, to a court with competent jurisdiction.

## **Authority's process for dealing with confidentiality claims**

### **STAGE 1**

1. The applicant completes in full the confidentiality form.
2. The applicant must submit the confidentiality form along with the documents which are the subject of the confidentiality request.

### **STAGE 2**

1. The Authority assesses the confidentiality application on its merits, considering the reasons put forward by the applicant.
2. The Authority must communicate its decision to the applicant in writing on the issue of confidentiality within fourteen (14) business days. The Authority will advise the applicant of its determination and the reasons thereto.

**What happens when the Authority agrees on confidential information?**

3. The Authority will proceed to disclose all the information that is not confidential and protect information granted confidentiality by keeping it from the public domain.

**What happens when the Authority is not satisfied with the reasons provided by the applicant to treat information as confidential?**

4. Where the Authority is not convinced of the reasons given by the applicant, it will inform the applicant of this decision in writing and afford the applicant an opportunity to withdraw the information.

**FORM TO REQUEST FOR CONFIDENTIALITY  
IN TERMS OF SECTION 4D of the ICASA Act**

**N.B.: When making the request for confidentiality, submit the FORM ONLY.  
Do Not submit or attach the GUIDELINES. Only read those carefully to  
complete the FORM.**

## **SCHEDULE K:**

**Form B and Service: Frequently Asked Questions**

<b>FQAs</b>	<b>Authority's response</b>
1. Can any entity be used to apply for a community television station?	The entity must be a non-profit entity (such as an NPO, NPC or Trust) and older than two years.
2. Who must be members of the entity?	A member of a community television station is someone from the community who has applied and accepted to become an official member of the station. It must be clear in the application for membership provision that the general community members, including community organizations but not political organizations, can be members of the entity.
3. What type of appeal process a person can follow to appeal a refusal of membership?	<p>It must be clear in the appeals mechanism provision that the founding document must provide structures in the Constitution, Memorandum of Incorporation (MoI), and Community Trust Deed which an aggrieved applicant can appeal to. The appeal mechanism must allow the rejected membership application to be heard by a different body that rejected the application to ensure fairness. For example: if the station manager is the one tasked to receive membership applications and decide on whether to accept/reject membership then the appeals mechanism cannot be the station manager, it would have to be the board/different structure.</p> <p>(For example, a person/organisation may appeal the decision for membership refusal by the station manager with the board of directors in writing within 3 weeks/months after the decision has been communicated to them. Include practical examples or ways with regards to the constitution of the structure and reasons for refusal of membership. To have a hierarchy in terms of the appeal process.</p>
4. What is the difference between 50+1 and 51%	The 51% quorum for attendance of membership in the AGM.

quorum for an Annual General Meeting (AGM)?	
5. What type of commitment of funding letter should be attached?	The Applicant must attach a letter from an entity stating an amount in a sum of money signed by a representative of that entity committing to fund the Applicant if the is issued with a licence. The letter should also state the nature of the funding i.e. sponsorship/ donation/ loan/etc.
6. Must all questions on the form be answered, even if they are not applicable?	All questions must be answered. In the event that a question is not applicable, the Applicant must indicate such by writing "N/A". If answers are left blank, the Application will be deemed to be incomplete and as such, will not be considered.
7. What activities will be acceptable to show community development	The Authority does not prescribe specific activities however the Applicant must indicate that it has attempted to uplift the community it intends to serve. Activities will be different from community to community. Examples such as: handing out food parcels, assisting at schools, etc.
8. Authorisation to submit the Application	The Board of Directors/ Trustees should draft a letter, and it should be signed by the majority of the Board of Directors/Trustees authorising a person submitting the application on behalf of the Applicant to the Authority.
9. What interest must be disclosed?	Section 16(1)(a)(iii) of the Community Regulations state that the board must disclose interest in the programming and finance of the licensee.
10. Who is the applicant?	The applicant is the entity applying for the broadcasting television licence. The name of the applicant is the name that appears in the registration documents of the entity.
11. What legal/founding documents should accompany the registration certificate of the applicant?	The following documents are relevant for each listed legal form: <ul style="list-style-type: none"> <li>• Non-Profit Company (NPC) – submission of a Memorandum of Incorporation (MOI);</li> <li>• Non-Profit Organisation – submission of its constitution; and</li> </ul>

	<ul style="list-style-type: none"> <li>Community Trust – submission of the trust deed and the letter of authority obtained from the Master's office.</li> </ul>
