- (d) the functions of provincial treasuries;
- (e) measures to ensure the integrity of the procurement process;
- (f) the power to prescribe different methods of procurement;
- (g) a framework for supply chain management;
- (h) infrastructure delivery management;
- (i) a framework on the disposal of assets;
- (j) dispute resolution mechanisms; and
- (k) the repeal and amendment of certain laws.

The draft Bill and the memorandum on its objects are available on the National Treasury's website at <http://www.treasury.gov.za> under Legislation, Draft Bills.
