CHAPTER 1

INTERPRETATION AND APPLICATION OF ACT

Definitions

1. In this Act, unless the context indicates otherwise—

“beneficiary” means the National Radioactive Waste Disposal Institute;

“board” means the board of trustees as constituted from time to time;

“Department” means the Department of Mineral Resources and Energy;

“Fund” means a trust called the “Radioactive Waste Management Fund”;

“Institute” means the National Radioactive Waste Disposal Institute established in terms of section 3 of the National Radioactive Waste Disposal Institute Act, 2008 (Act No. 53 of 2008);

“Minister” means the Minister of Mineral Resources and Energy;

“National Nuclear Regulator” means the regulator established by the National Nuclear Regulator Act, 1999 (Act No. 47 of 1999);

“National Radioactive Waste Disposal Institute Act” means the National Radioactive Waste Disposal Institute Act, 2008 (Act No. 53 of 2008);

“Public Finance Management Act” means the Public Finance Management Act, 1999 (Act No. 1 of 1999);

“high-level radioactive waste” means highly radioactive materials produced as a by-product of the reactions which occur inside a nuclear reactor. This waste can be in the form of spent reactor fuel which is accepted for disposal or waste material remaining after reprocessing of spent fuel;

“Statutory Obligations” means a legal compliance requirement which applies to the administration of the Fund;

“this Act” includes regulations made or issued in terms of this Act;

“trustees” means the trustees of the Fund constituted in terms of this Act and refers to the individual members of the board in their capacities as trustees; and

“waste generator” means a nuclear operator licensed by the National Nuclear Regulator whose operations generate high-level radioactive waste.

Application of Act

2. (1) This Act applies to activities which relate to the management of high-level radioactive waste as contemplated in section 6.

(2) This Act does not apply to low-level and intermediate-level waste.

CHAPTER 2

ESTABLISHMENT AND OBJECTS OF RADIOACTIVE WASTE MANAGEMENT FUND

Establishment of Fund

3. A trust called the “Radioactive Waste Management Fund” is established.

Objects of Fund

4. The objects of the Fund are to—

- (a) establish the polluter pays principle on a waste generator to contribute funds towards long-term radioactive waste management as contemplated in section 7;
- (b) ensure there is sufficient funding provision made to cover the expenditure to be incurred by the Institute in fulfilment of its mandate to undertake radioactive waste management activities in accordance with section 6; and
- (c) act as the financial provider in whole or part for expenditure which the Institute is required to undertake to comply with the National Radioactive Waste Disposal Institute Act, 2008 (Act No. 53 of 2008), section 21(1)(c) and other Statutory Obligations.

CHAPTER 3

FUNDS OF FUND, UTILISATION OF MONEY IN FUND AND POLLUTER PAYMENTS

Funds of Fund

- (e) annual financial statement to be prepared and submitted for audit; and
- (f) annual report including audited financial statements.

CHAPTER 6

GENERAL

Termination of Fund

15. (1) The Fund must only be terminated after all the beneficiary's Statutory Obligations in respect of all its high-level radioactive waste management operations at a time have been met to the satisfaction of the Minister.

(2) Despite the provisions of any other law, the Fund may not be placed under judicial management or in liquidation except if authorised by an Act of Parliament adopted specially for that purpose.

Regulations

16. (1) The Minister may, on recommendation of the board and by notice in the *Government Gazette*, make regulations regarding—

- (a) a matter which is required or permitted by this Act; and
- (b) an administrative or procedural matter necessary to give effect to the provisions of this Act.

(2) Before regulations are made in terms of subsection (1), the Minister must—

- (a) by notice in the *Gazette*, invite the public to comment on the proposed regulations, and
- (b) make a consideration of the comment.

Procedures

17. (1) The Institute must, for the approval of the Minister, develop a consultative framework providing for close cooperation between the Institute and waste generators with respect to matters of common interest, including implementation plans for relevant infrastructure.

(2) The board must, for the approval of the Minister, develop a procedure relating to the way the Institute requests for funds from the Fund.

Offences

18. (1) A person is guilty of an offence if that person fails to pay funds to the Fund in respect of management of high-level radioactive waste generated, in compliance with section 7.

(2) A person convicted of an offence mentioned in subsection (1) is liable on conviction of a fine or to imprisonment not exceeding 2 years.

Short title and commencement

19. This Act is called the Radioactive Waste Management Fund Act, 2022, and comes into operation on a date fixed by the President by proclamation in the *Gazette*.
