## DEPARTMENT OF TRANSPORT

## NOTICE 1017 OF 2022

## 2022 CMTP DECADE PLAN

## UNPACKING THE MARITIME VALUE CHAIN COMPETITION (1)

South African Maritime, shipping or related businesses, or ports working individually or in collaboration are invited to participate in a Department of Transport competition aimed at unpacking the maritime value chain using transparent value chain analysis processes as means to demonstrate value adding business activities in the value chain of the project cycle.

**Criteria:**

- (1) The project must be:
  - a) existing or planned
  - b) fully funded/ budgeted
  - c) Comprehensive Maritime Transport Policy inspired and;
  - d) aligned to the IMO 2022 theme for World Maritime Day: *'New technologies for greener shipping'*
- (2) The scale of the project and its impact is very crucial

**(3) Activity and timelines**

Activity	Timeframe
Declaration of interest to participate	16 May 2022
Submission of concept and methodology	1 June 2022
Submission of value chain analysis report	1 August 2022
Adjudication	15 September 2022
Announcement of winners	11-14 October 2022 World Maritime Day Parallel Event

**(4) Winners**

The chief executive officer of the winning bid stands a chance of being seated at the main table with the International Maritime Organization secretary general during the IMO World Maritime Day parallel event in South Africa.

**(5) Submissions of proposals**

- (1) Submission of declaration of interest must be directed to Ms [cmtp2022@dot.gov.za](mailto:cmtp2022@dot.gov.za)
- (2) Submission of concept and methodology must be on a sealed envelope directed marked CMTP2022-Competition and hand delivered to the attention of the Director General: Transport for the attention Mr Dumisani T Ntuli. The parcel must be deposited in the Box marked CMTP2022 competition placed at the entrance hall at the Department of Transport, 159, Struben Street, Pretoria.

**(6) Enquiries: Dumisani T Ntuli: Please use heading CMTP2022Competition [ntulid@dot.gov.za](mailto:ntulid@dot.gov.za)**

- (7) **Special Conditions:** This competition and responses to it must not create an expectation from entrants that the Department of Transport will in some way or the other enter into contractual agreement with any or related participants in its further development and execution. The aim of the project is purely to promote critical thinking and innovation in the technical areas of the competition and that entrants have voluntarily chosen to participate with a full understanding of this condition.
