### DEPARTMENT OF EMPLOYMENT AND LABOUR

#### NOTICE 3735 OF 2026

Notice published by the Essential Services Committee ('the Committee') in terms of section 71, read with section 70(B)(1)(d) of the Labour Relations Act, 1995 (Act No 66 of 1995 as amended)

- A.** Notice is hereby given in terms of section 71, read with section 70(B)(1)(d) of the Labour Relations Act, 1995 (Act No 66 of 1995 as amended), that the Committee is in the process of conducting an investigation as to whether the following services are essential:
1. Corrective maintenance of critical telecommunication infrastructure;
  2. Services rendered by pilots, cabin crew members, ground logistical staff (including but not limited to Ground Crew and Cargo Agents), and boarding gate agents (check-in agents) of aviation airlines limited to the -
    - a) operation of aircraft by pilots, including on-board safety and security (including emergency medical care);
    - b) on-board operational services rendered by cabin crew members, including on-board safety and security (including emergency medical care); and/or
    - c) services rendered by boarding gate agents, including security at airports;
    - d) logistical services rendered by ground staff that enable the time-sensitive and secure transportation of cargo, including medical supplies, and human tissue; and/or
    - e) the urgent or timeous transport medical personnel to perform of life- saving or life-extending medical procedures.
- B.** Notice is hereby given in terms of Section 71(9) for an investigation on the possible variation or cancellation of the following designation rendered by the Committee:
1. 13 March 2020, under GN 43090, the service of wholesale supply of cash.
- C.** Notice is hereby given in terms of Section 71(9) for an investigation on the possible variation or cancellation of the following designation rendered by the Committee:
1. 18 November 2022, under GN 47526, the following services:
    - a) rendered the services of manufacture, supply and distribution of vaccines and or biologicals; anaesthetics; antiretrovirals to treat HIV virus; Immunosuppressants; covid 19 related products; and antibiotics; and
    - b) the manufacture and supply of chronic medicines.

The decision to review the designation is directly related to the circumstances under which the original designation was made. At the time, there was a Covid19 pandemic, and this context necessitated the particular designation. As the situation has evolved, the Committee is now reviewing whether the same designation remains appropriate, given that the pandemic conditions may no longer apply.
